

2021-2022 Ford Bronco Sport Ditch Light Bracket Installation Guide
Professional installation recommended.

Step 1. Remove 2 nuts holding driver's side hood hinge to hood.

Step 2. Place ditch light bracket between hinge and hood.

Step 3. Using paint shadow as a reference, align hood and tighten nuts.

Step 4. Loosen hood hinge mounting bolts in door jamb.

Step 5. Align panel gap in hood to desired look.

Step 6. Tighten hood hinge mounting bolts.

Step 7. Using provided M8x16 bolt and nut, install off-road light of your choice onto bracket. (Hardware provided with lights is typically too long and may contact the hood.)

Step 8. Repeat steps 1-7 for passenger side.

Step 9. Find some trails!
